

Barconn Limited

Quality

The company has established, documented, implemented and maintains a quality management system and continually improves its effectiveness based on the International Standard ISO9001:2008

The company:

- Determines the processes needed for the quality management system and their application throughout the organisation;
- Determines the sequence and interaction of these processes;
- Determines criteria and methods needed to ensure that both the operation and control of these processes are effective;
- Ensure the availability of resources and information necessary to support the operation and monitoring of these processes;
- Monitors, measures where applicable, and analyses these processes;
- Implements actions necessary to achieve planned results and continual improvement of these processes;

These processes are managed by the company based on their quality management system which is linked with the requirements of ISO9001:2008.

Where the Company chooses to outsource any process that affects product/service conformity to requirements, the Company ensures control over such processes.

The type and extent of controls applied to these outsourced processes is defined within the Quality Management system.

Barconn Ltd was established in 2001 and in that time has gained valuable experience in all areas of construction works.

Our philosophy is built on a solid contractor-client relationship. We have a proud reputation and our friendly, approachable and knowledgeable staff always places client satisfaction at the top of their priority list.

The Directors of Barconn Limited

- Are committed to high quality and to meeting or exceeding Clients' quality needs.
- Are committed to comply with legal and regulatory requirements and continually improve the effectiveness of the quality management system;
- Provide a framework for establishing and reviewing quality objectives;
- Ensure that policies are communicated and understood by all persons working within or on behalf of the company;
- Review policies for continuing suitability.

This policy is available to all staff and displayed within the company.
